# AUDITING

## Reva Phoenix – Best in Class – Value added Management System Audits

Reva Phoenix provides Internal Audit services for the following Management System Standards:

- ISO 9001
- ISO 14001
- OHSAS 18001
- AS9100
- ISO 27001
- ISO 13485
- TS16949
- ISO 50001
- ISO 17025
- ISO 26262
- TL 9000 etc.,
- Company Specific requirements
- Customer Specific requirements

Internal Auditing is a crucial element of your Quality Management system (QMS). Consistent and effective internal audits assure continual effectiveness, compliance, and improvement of your QMS. However, many companies that tackle this responsibility alone must overcome the following obstacles:

- Difficulty in developing and maintaining the skills for part-time Internal Auditors,
- Lack of experience, independence, and objectivity of Internal Auditors, and
- Internal resource constraints.

# CONSULTING
