INTRODUCTION

We at Reva Phoenix Engineers & Consultants India Private Limited are committed to provide - Quality Training, Consultation, Implementation, Audits & Engineering services, consistently meeting our Customer requirements, through effective implementation of Quality Management System.

We are committed to continual improvement in every aspect of our service, with periodic review by top management, providing necessary resources and operating our Business system in compliance with applicable regulations.

We understand the fundamental truth that our business exists because of our Customers and hence we shall work with a high level of commitment to Quality service. Professionalism, ethics, integrity and on time deliverance to commitments shall be our guiding principles.

Reva Phoenix conducts API QMS Internal Auditor workshop -based training session for API standards and certifications. An opportunity to learn from the best in the Oil & Gas industry about getting certified and implementing API Quality Management System.

The training program on API QMS - Internal Auditing is committed to provide the most comprehensive range of management systems training in the area of API Monogram, API Spec Q1, ISO TS 29001 & ISO 9001 Quality Management System.

The training program provides both technical knowledge and practical skills essential to become a competent API Internal auditor. Awareness, documentation & auditor's training seminars are designed to provide a basic understanding of Quality Management System (QMS) based on ISO 9001, 29001 & API Spec Q1 Standard.

In this extensive workshop based training, you will learn the implementation basics of API Spec Q1, ISO 9001, ISO / TS 29001, API Monogram programs and what makes these so valuable, and why you need to know the elements of its requirements.

Reva Phoenix, as an elite organization in the field of oil and gas, offers training, consultation and implementation services to a wide range of customers; operating from India to a global customer base.

We provide training, consultation and implementation services on API (American Petroleum Institute) Certifications, ISO standards, IMS certifications, TQM, TPM, Lean and Six Sigma

As a specialization on API Certifications, we provide consulting and implementation support to implement best in class API Standards and systems, such as:

- ◆ ISO 9001
- ◆ API Spec Q1
- ◆ API ISO / TS 29001
- ◆ API Monogram Program
